FIVE STAR
ORTHODONTIC
LABORATORY & SUPPLY

The Five Star Way

EXPERIENCE

Most of our highly skilled techs have over 10 years of experience! Our department supervisors average over 20 years of experience!

SPEED

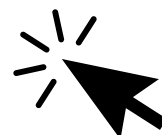

Five Star supplies lab slips and pre-paid UPS shipping labels with tracking numbers and email alerts insuring a smooth and timely delivery. We will have your appliance in only 5 working days in the lab.

QUALITY

Five Star uses the highest quality materials in the industry. We have two 3D printers, ensuring the highest quality models. We use laser welding, which is 360 times stronger than conventional solder joints and offers more flexibility. We use durable top of the line acrylic and our expansion screws are easy to turn, hygienic, and won't relapse.
